McHenry, IL 60050

Come be a part of our super-fun Winter Day Camp sessions!

Like our summer camps, our winter camps will include cool wintery and horse related crafts as well as getting hands-on, educational experience on the ground with our school horses. And, of course, campers will ride twice a day in one “serious” lesson and one “game/fun” lesson!

This program will familiarize your child with the basics of:

- Riding
- Grooming
- Saddling/Bridling
- Caring for the horse
- Meets some new friends
- Bring home crafts/awards

Camp Info

All camps run Tuesday, Wednesday and Thursday to ensure that our fellow horse lovers and families can enjoy their winter break with long weekends!

These winter camps will cater to all riders of all skill levels ranging from ages 6-13!

The only way a winter camp will be cancelled is if the weather outside is at or below 0 degrees or if snowfall makes driving conditions too dangerous. If this were the case, your camp instructor would message the morning of camp to notify parents (per day)

Camp fees due at registration.

No refunds for missed days or sessions.

Refunds will only be given for cancelled session (less than 5 registered) or due to inclement weather (refund per day)

Discounts given for multiple sessions.

- Ride Twice Daily at these camps! (Lots of bareback because the horse are so warm and fuzzy)
- Cool Winter Crafts
- Fun & Games
- Mounted Games

Winter Camp Special!

Enjoy an hour later pick-up time (4:30) for only \$20 where your camper will get to enjoy another riding lesson before going home (on the day of your choosing)!
